OUR MISSION... is to enhance the recreational, educational and cultural life of the Indianapolis Community by encouraging and soliciting support for our city's parks system. Your investment and support of the Indianapolis Parks Foundation helps us "build parks for life" in Marion County and ensures that the quality of life we enjoy today will be there and improved upon for future generations.

The Indianapolis Parks Foundation is a non-profit organization that does three things:

- 1 We secure private funding to support our parks system.
- 2 We help Indy Parks & Recreation build a world-class parks system by providing funding for land acquisition, park programs, capital improvements and park maintenance.
- 3 Our staff, board and volunteers advocate for quality parks and green space in Marion County.

For more information on Indianapolis Parks Foundation, visit www.indyparksfoundation.org

Help us advocate for Indianapolis parks, trails and greenways. Tell a friend about the Parks Foundation and share your time—it's really just a walk in the park.

Greenways

The Indianapolis Greenways System provides essential natural and cultural resources to the citizens of Marion County and to millions of Indianapolis visitors each year. In conjunction with the waterways, greenway conservation and trail corridors serve as passageways, food sources and breeding habitats for Central Indiana's wildlife. All of the greenways are significant for their historic place in Marion County's development and provide users with opportunities for environmental education and social interaction.

Trail hours: Daily from dawn to dusk.

Trail Safety

- In case of an emergency, call 911. To report unsafe trail conditions, call 327-7431. To report non-emergency concerns to park rangers, call 327-7140.
- Keep to the right and communicate before passing. Let other trail users know when you are approaching from behind. Signal by saying "passing on your left" and allow others time to respond.
- Maintain control and safe speed. Adjust speed for other users, traffic and trail conditions.
- Pedestrians have the right-of-way. Bicycle riders and inline skaters yield to all other trail users.
- Share the trail and be courteous. This is a multi-use trail. Respect others, regardless of their mode of transportation. Do not trespass or cut through adjacent properties or yards.
- Stop for cross-traffic and obey signage.
- Respect the trail environment. Do not disturb wildlife or the many native plants and wildflowers that grow along the Greenways.
- Pick up litter.
- Keep pets on short leashes. Do not allow pets to walk into the oncoming lane of the trail. Users are responsible for removing their pets' waste along the trail.

The Indianapolis Soccer & Sports Center houses two of the best soccer fields in the Midwest! Both fields are comprised of Kentucky Blue Grass, which is irrigated, and mowed daily to keep the fields looking green and beautiful. Annual chemical and fertilizer applications are prepared and applied by the Indy Parks & Recreation Athletic Fields Beautification Division. Each season the fields are set up to FIFA's International maximum of 120 yards in length and 80 yards in width. During match season the length of the grass is kept at 1.25 inches in length to provide a short and smooth surface for an optimal playing environment. Stadium seating for the East field is provided by two permanent stadium style grandstands located on the east and west sides of the field extending from 18 yard box to the other. In addition there are additional bleachers on the North end of the field. The East field can seat approximately 6,500 spectators. The West field can seat approximately 2,500 spectators. Summer Vacation 2009

I spent hours sliding and jumping at Plunge Harbor!

My mom was acting silly at the show at Holliday Park.

I made it up to the 3rd level on the climbing wall.

I had a blast with my new friends at summer camp.

Tubing at Perry Park is awesome!

Singing and dancing to the beat of the band.

I'm a creative princess at the Garfield Park Arts Center.

Cannonball! Did I get you wet?

Hi, you found me in my favorite spot.
